

M I A DAV PUBLIC SCHOOL, MEHATPUR

ANNUAL REPORT (2022-23)

We are immensely privileged & honoured to have , **Dr. Kuldeep Chand Agnihotri** , Ex Vice – chancellor central university , Dharmshala , Himachal Pradesh as our honoured chief guest. We hearty welcome you sir. We also welcome Founder, and chairman MIA DAV Public School Mr. Arun Nayar, members of the school management, distinguished guests, Principals of schools & parents who have been kind enough to spare their precocious time to grace this occasion. As we approach to end of this academic year and our 32 years of journey towards providing quality education since our inception in 1991. Our school is an example of what leadership with VISION, COMMITMENT & DISCIPLINE can achieved.

With your permission, I now present the Annual Report for the year 2022-23.

As we share the yearly updates of our activities, we take the modesty to say that we did our best to do as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. We have focused on the holistic development of the students.

A great saying goes so "Education is the passport to the future, for tomorrow belongs to those who prepare for it today!". It is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both the expected and the unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude.

Online schooling and challenges

We thank the Almighty God for all the blessings bestowed upon us year after year, especially during covid times.

Last two years were challenging for all of us. After a gap , all our students were back to school and our teachers had a very tough time in bridging the gap of learning. With great contentment I can affirm that we have been able to bring our children back to the rhythm of learning. All praise to the dedication and hard work of the teachers.

Even in covid situations we conducted online classes by following proper time table on Microsoft team app. School comes into action as soon as first lockdown was announced due to covid-19. We started conducting online classes from class nursery to XII on Microsoft teams app. Online teaching was not everyone's cup of tea as teachers have been practicing the classroom pedagogical method to teach students since the centuries. With the introduction of online teaching, teachers had to learn technical sources, operating technical mediums to conduct online classes, take exams, provide assignments, and even provide score cards.

In addition teachers also attended various webinars to upgrade their competencies.

Apart from preparing the children for academic demands, we give emphasis in preparing our children to face the challenges of the competitive world. It is a matter of great significance to us that the students who pass out from our School be well disciplined and carry forward the values they have inherited and excel in life, being role models in the society.

We have done excellently in academics and non-academic areas. At this juncture, I wish to put on record my sincere gratitude to the management, staff, students and the PTA for your kind support and guidance.

- **STUDENTS, FACULTY AND STAFF**

We have dedicated teachers and as many as non-teaching staff according to the CBSE norms, which ensures that every child is personally attended and taken care of.

Vision and mission :

“Vision without action is a day dream. Action without vision is a nightmare.”

1: Student Achievement and Success from Nursery to grade 12th and Beyond

2 : High Standards of Performance

3: Fiscal Stability to Support Student Learning

4: Effective Communications and Community Involvement

With great pleasure, I present in a nutshell the highlights of the past academic year 2022-23 as follows:

Teacher Enhancement Programs :

"It's the teacher that makes the change, not the mere classroom".

We believe in equipping teachers to prepare the students for the future and to update their knowledge. So the school arranges teacher orientation programmes every year.

Regular staff meetings are conducted to evaluate our quality of performance and plan for the future with more innovative methods of teaching and learning programs.

SCHOOL PROGRAMS Among the celebrations marked with total students involvement and with great pomp and joy were the Environment Day, the Sports Day, Gandhi Jayanti. Independence Day was celebrated with a Patriotic spirit by hoisting the National Flag by the worthy Chairman Sir. **The school strictly follows the CBSE pattern and curriculum**

- Our school has a yearlong event calendar that covers every facet of education.

Extra-Curricular Activities :

Keeping in view the all round development of the students extra-curricular activities are also given due importance. Dance, Music, Drawing, Poetry, Essay Writing, Mehendi, Thali and Diya Decorations, Sports activities , and Inter House and Inter School Competitions were conducted during the course of the year. Students choose their activities and get trained in various levels.

The school focuses not only on advanced academics but also on Extra-Curricular and Co-Curricular activities. Students are trained at a very young age towards incorporating a sense of responsibility, loyalty, team spirit, and healthy competition to become graceful and dignified personalities.

Academics :-

Achieving academic excellence is at the heart of endeavour of all educators and academic institutions an important measure of this pursuit is how the institution has performed, the most important of which is the annual ,school ending examination conducted by the CBSE

We are proud to report that the students of class X and XII, who appeared for Secondary & Sr. Sec. School Examination held by CBSE for session 2021-22, have brought laurels to school by their excellent results. We achieved 100% results in CBSE class-X & class-XII examination. In class-X Pradum Tiwari topped the school with 95 % score and 75 % students passed with first division. In class –XII we bagged maximum top positions at District level in commerce stream Anjani Sharma bagged the first position with 95 % marks , Simranjit Kaur was second topper with 94.3 % marks and Harsh Punj was third topper with 93.4 %. In Medical & Non-Medical Sukhmandeep Kaur & Mehak topped highest score respectively. We congratulate these students for their excellent performance & extend warmed wishes for their bright future.

Moving forward, towards the activities conducted by school during the whole academic year.

- 1 Deepika got Rs. 10,000/- cash prize each in INSPIRE Award Scheme. Her model “ Smart dustbin “was selected for the project.
- 2 In “International Hindi Olympiad “ total 88 students participated from class 1st to 12th and Deepika from class X was honoured with “ Rashtria Hindi Pratibha Samman” by Hindi Vikash Sansthan Delhi. 9 students got gold medals and 3 students got silver medal and 2 students got bronze medal in international Hindi Olympiad.
- 3 In the month of November Science Exhibition was organised where the students came forward with new creative ideas and models on topics given separately for every class. Many new concepts were showcased by the students .
- 3 Science Olympiad, English Olympiad and Maths Olympiad were conducted in this year more than 80 students participate in exam.
- 4 NASA Olympiad was conducted where out of 40 students 30 students got excellence certificate and got selected for level -2.

From Sports :

- 5 ‘A healthy mind resides in a healthy body’. M.I.A DAV School has always taken that extra step to make the students believe in that.
6. I feel happy to share that total number of 128 students of M.I.A DAV School have participated in basketball and athletic meets held at national level. We have four times participated in National CBSE, Cluster Basketball held at Chennai (2011) , Jaipur(2012) , Agra(2013) and Andhra Pradesh (2014)
7. Our basketball team was runner up in CBSE basketball Cluster(2017 ,Hamirpur) and CBSE basketball Cluster held at Fatehabad in 2019.
- 8 In academics session 2022- 23 , three students of our school were selected in National CBSE Cluster 2022. Palak Choudhary , Ankita Sharma, and Deepika Rani.
9. In CBSE Cluster held at DAV PUBLIC SCHOOL, CHEEKA, kaithal Haryana our one student Palak Choudhary got God medal in long jump. Ankita Sharma and Deepika Rani won Silver medal in high jump. Three students (Sohith kumar, Mohit Sigh and Ansh Sharma) won Bronze medal in 800m,3000m race and triple jump.

- 6 The Sports department organized a series of Inter House indoors and outdoors tournaments for the games of basketball, kho- Kho , kabaddi, badminton throughout the year. There has been an increase in participation and achievements in , Athletics, basketball, kho-kho, outside the school areas, such as inter school, state level and national level events.
- 7 . In interschool sports meat our school has bagged his position by winning four gold medals, four silver medal and three bronze in athletics. Our kho – Kho teams both boys and girls were winner in interschool competition.

Educational Tours and Field Trips:

“ All work and No play makes Jack a Dull Boy”

Our school also conduct Educational Tours and field trips for students.

This year students of Primary & Middle classes were taken to Fun City while the Senior classes were taken to Amritsar – this one day all the teachers and students collectively had all the fun.

Children's Park for primary wing

There is nothing better than the laughter of children at play. The new children's park looks elegant with seater swings, circular swings, see saws, and slides and colourful paintings. The park will provide children a platform to practice skills- social, emotional, cognitive and physical. It is indeed another effort by the school to meet the much awaited need of the primary children.

Conclusion :

Before I conclude I would like to take this occasion express my thanks & sense of appreciation to the Chairman Sir and all the other Managing Committee members for their Dedication , Interest and sustained cooperation in developing this institution. It is their visionary, inspiring and encouraging leadership that help us continue in our expedition to excellence in the field of education.

I thank staff teaching & non-teaching for their cooperation and hard work their services played a vital role in the development of the school.

Last but not the least, I thank all the parents for their blessings and the constant support that they have been for us. There are not enough words to express how grateful we are to them for keeping faith in us. If I were to put all the events at MIA DAV in a nutshell, we encourage a child to observe , to explore , to experiment , to prove , to analyse , to confront problems and find the solutions.

A big thanks all of you with the hope that the coming Academic year would we another fruitful year.

Have a Nice Day
